25 shareholders and proxy holders, holding in aggregate of not less than one-third of the total number of issued shares attending a shareholders meeting to constitute a quorum.

The MC explained the criteria for vote counting and method for asking questions to the meeting. Since this was an e-meeting, there would be no ballot. The shareholders should go to the E-Voting window to cast vote in each agenda within one minute. Once the shareholder selected the choice, the system should pop-up a message to confirm the choice. The shareholder should click “agree” to confirm. If the shareholder wants to change the choice, he could do so by selecting new choice before closing of the vote for such agenda. Shareholders attending the meeting on mobile phone or tablet must switch from Zoom program to E-Voting to cast vote and return to E-meeting in Zoom program to further attend in the meeting. For the purpose of convenience, time saving and easy votes counting, in each agenda that require voting, only votes of those **disapprove** or **abstain** will be counted and the rest will be deemed approve. Votes would be counted from the E-Voting and from the proxies where the shareholders had voted in advance. Holders of proxies should not cast vote on E-Voting.

Any shareholder wished to ask question may type the question in the Chat box or if he wished to ask verbally, he may go to Participant menu in Zoom and click Raise Hand icon. After the MC announces the name of the shareholder who raises hand, the staff would turn on his microphone and the shareholder would unmute himself to ask question. In case the shareholder is unable to communicate verbally within one minute, please change to the Chat box instead.

In asking question in every channel, the shareholder should state his name, family name and status (as a shareholder or proxy) for the purpose of minutes taking.

The Company has allowed shareholders to submit question in advance, but there was no such question. In case there is no question raised within 45 seconds, the Company shall proceed to the next agenda. However, the shareholder still be able to submit question in the Chat box which the staff should read the question later.

The Company also allowed the shareholders to propose a meeting agenda and to nominate persons to be appointed as the Company’s director, during November 28, 2022 to January 31, 2023 but there was no such proposal and nomination.

Chairman informed the meeting that before proceeding to the first agenda, he wished to report on the participation in the Thailand’s Private Sector Collection Action Coalition Against Corruption Project (CAC) in which the Company had made the Anti-Corruption Declaration. Currently, the Company is seeking a person with knowledge and ability to regulate the project under the CAC intention in order to obtain a coalition certification in the future. However, the Company shall follow the guideline in performing its duties and in carrying on business with integrity, merit and ethic which shall lead to sustainable growth and shall speed up the project continuity. Progress shall be further reported to the shareholders.

For the liquidity of the group of companies, the company has enough cash on hand to support the construction with a debt-to-equity ratio of approximately 0.78 only.

The Chairman asked if any shareholder wished to ask question or express any opinion on this matter.

Mr. Piyapong Prasatthong, a shareholder attending in person asked the meeting whether operation of the business concerning the delivery of signaling and telecommunication system installation works of the Eastern Railway Between Khlong Sip Kao Junction Railway Station and Dan Ban Khlong Luek Railway Station. Has the company completely delivered to the State Railway of Thailand? Does the company expect to take on the construction of the northern, northeastern and southern railway projects in the future?

# TRITON

Mr. Sanya Kanchanawit answered the question to the meeting that in terms of the installation of signaling and telecommunication systems of the Eastern Railway Between Khlong Sip Kao Junction Railway Station and Dan Ban Khlong Luek Railway Station, the Group has not received such work. However, the work related to the railway, the Group has undertaken the construction and installation of signaling and telecommunication systems in the double-track railway construction project (Lop Buri - Pak Nam Pho) only, which is currently under construction. Therefore, the Group is interested in the northern, northeastern and southern double-track railway projects which we are studying information to find a way to accept the said job.

Mr. Piyapong Prasatthong, a shareholder attending in person asked the meeting whether the company has complied with the law on procurement and management of government supplies or not because in the past, the group of companies has received jobs from the government and state enterprises for many projects.

Mr. Sanya Kanchanawit answered the question to the meeting that for the past in bidding, the company has strictly complied with the rules and regulations of government agencies. The company is aware of transparency and want to comply with various procedures according to the law to prevent any kinds of the corruptions.

There was no question, so the Chairman requested the meeting to acknowledge the operating result of 2022.
