No. 012/2017

11 May 2017

Subject: Report of 1<sup>st</sup> Quarter 2017 of operational results, an increase (decrease) of more than 20%

Attention: President  
The Stock Exchange of Thailand

According to the reviewed financial statement of Triton Holding Public Company Limited ('The Company') the quarter ended 31<sup>st</sup> March 2017. The Company's operational results in Q1/ 2017 shown that the total net loss attributable to owners of the Company from the consolidated financial statement was THB 24.73 million increased by THB 21.55 million which is more than 20% compared with Q1/ 2016 with the net loss attributable to owners of the Company of THB 5.88 million. The main reasons are due to extraordinary income from a reversal of doubtful debts of THB 27.03 million and a reversal of loss on impairment of assets of THB 5.49 million in Q1/2016. While, in Q1/2017, there was a reversal of doubtful debts of only THB 5.6 million.

**Total revenues and gross profit:** Nevertheless, total service income in Q1/2017 was THB 69.58 million increased by 15.79% comparing to service income of THB 60.09 million in Q1/2016 as presented in below table. **Gross profit:** The Company had gross profit of THB 23.29 million in Q1/2017 increased by 69.88% when comparing to THB 13.71 million in Q1/2016. The rise in gross profit was driven by the increase of completed construction work in Q1/2017 and the effectiveness of cost controlling, which had been implemented by management in Q4/2016. The table below shows the following changes in gross profit.
